## **SUBMISSION INFORMATION FOR CONTRIBUTORS**

The Editorial Board welcomes contributions for publication in the journal in English or French. Authors should submit articles as Microsoft Word or Rich Text Format (rtf) files by email to John Gillespie at [j.gillespie@ulster.ac.uk](mailto:j.gillespie@ulster.ac.uk).

### **FORMATTING**

The document must be set at the US letter standard size. The entire document (including notes and references) should be double-spaced with 1-inch (2.5 cm) margins on all sides and no extra spaces between paragraphs. A 12-point standard font such as Times New Roman is required for all text, including headings, notes and references. Any unusual characters or diacritics should be flagged by placing the entire word in **red type**.

### **COVER PAGE**

The cover page should provide the title of the article, complete contact information for each author (mailing address, phone number and email), biographical data of approximately 100 words for each author (including an ORCID if applicable), a total word count, the number of tables and/or figures included and any acknowledgements. Affiliations and email addresses will be posted online for indexing/abstracting purposes.

### **ABSTRACT/KEYWORDS**

The article must include an abstract of **125 words** and **5 to 8 keywords**. The abstract should not duplicate the text verbatim but rather include the research question or puzzle, identify the data and give some indication of the findings. Keywords should be drawn from the content and not duplicate the article title, listed in alphabetical order and separated by commas; only proper nouns should be capitalised. The abstract, keywords and biographical note for French articles must be submitted in both French and English.

### **COPYRIGHT/PERMISSIONS**

Upon acceptance, authors are required to submit copyright agreements and all necessary permission letters for reprinting or modifying copyrighted materials, both textual and graphic. The author is fully responsible for obtaining all permissions and clearing any associated fees to reproduce copyrighted materials.

### **ARTWORK**

For optimal reproduction, **figures** or **photos** should be submitted as high-resolution JPGs or TIFFs (300 ppi), or as EPS files with all fonts embedded. All images should be at least 4 x 4 inches at the resolution indicated. **Tables** should be made and submitted in Microsoft Word or rtf. All figures and tables should be in separate files and numbered consecutively; only placement indicators and captions (with source/copyright information) should be included in the articles themselves. For more details, please see our [Artwork](#) submission webpage.

### **PROCESS FOR REFEREEING AND ACCEPTING ARTICLES**

SSI is a refereed journal. Submissions are considered on the understanding that the article is not currently under consideration for publication elsewhere. Articles are sent to at least two scholars with relevant experience and expertise. Referees are asked to advise the editors whether the article should be published and if so, with what recommended changes. The editors respond to the author with their decision, a list of any changes needed for publication and the anonymous referees' comments, or a summary thereof.

### **PUBLICATION**

Manuscripts accepted for publication that do not conform to the style guide may be rejected or returned to the author for amendment. The editors also reserve the right to alter usage to conform to the style guide issued by the publisher. Authors cannot supply new materials or request major alterations following the copyediting stage, so please ensure that all text is final upon acceptance. Contributors of research articles will receive one free copy of the relevant issue and may purchase additional copies at a reduced price or purchase offprints.

Have other questions about submitting your manuscript? Please refer to Berghahn's [Journal Author FAQs](#) for additional information.

## STYLE GUIDE

The *SSI* (issue no. 1) style guide is based on the *New Oxford Style Manual* and *New Hart's Rules*, with some deviations for house preferences. Please note that the journal uses **UK punctuation and spelling** (including a preference for –ise over –ize endings), following *The Oxford English Dictionary*.

## CITATION SYSTEM

*SSI* follows the **endnote system**. Endnotes must include full bibliographic information on first citation, including a full page range for the work and the exact page for a quotation. Subsequent citations should provide last name(s) and a short-title form. Every quotation must be cited.

Please note that translations of all non-English quotations and reference titles are required for indexing/abstracting purposes (see the translated title examples provided below).

The first mention of an author in the main body text should include the first and last name.
